

## Radical Universalism: Does Hinduism Teach That All Religions Are The Same Foreword By David Frawley

By Morales, Frank

Voice of India, New Delhi, 2008. Soft cover. Condition: New. xxiv,56p., bibl., 23cm. This book was originally published by Dr. Frank Morales, Ph.D. as a long philosophical essay. His essay was destined to be read by over one-million people within only two years after its initial appearances, and to forever change the way the world understands the true nature, beauty, and teachings of Sanatana Dharma (Hinduism). In this newly revised and expanded edition of his work, Dr. Morales reiterates his important message that Sanatana Dharma must be understood and practiced only in its most original, unaltered, and authentic form if it is to survive and thrive into the future as the world's most important and relevant spiritual tradition. This crucially important book philosophically positions Sanatana Dharma to become the most eminent and influential force for positive global change that the world has ever known. Even if you feel that you already know that Hinduism truly teaches, be prepared to challenge your understanding with this revolutionary and thought-provoking work of historical significance. Dr. Frank Morales, Ph.D., a practicing Hindu for over 33 years and with a Ph.D. in Language and Cultures of Asia, Dr. Frank Morales is currently recognized as one...
