## HISTORICAL NOIR (PAPERBACK)

Oldcastle Books Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English. Brand new Book. It's one of the most successful--and surprising--of phenomena in the entire crime fiction genre: detectives (and proto-detectives) solving crimes in earlier eras. Barry Forshaw has written a lively, wide-ranging and immensely informed history of the genre, which might be said to have begun in earnest with Ellis Peters' crime-solving monk Brother Cadfael in the 1970s and Umberto Eco's *The Name of the Rose* in 1980 (with another monkish detective), but which has now taken readers to virtually every era and locale in the past. Forshaw has produced the perfect reader's guide to a fascinating field; every major writer is considered, often through a concentration on one or two key books, and exciting new talents are highlighted.
