Atria Books, United States, 2016. Hardback. Condition: New. Language: English. Brand new Book. The international publishing phenomenon and ridiculously funny new parody series that helps grown-ups learn about the world around them using large clear type, simple and easy-to-grasp words, frequent repetition, and thoughtful matching of text with pictures. Have you been having trouble with the How, Why, and Wheres? Well fear no more. The Fireside Grown-Up Guide series understands that the world is just as confusing to a forty-year-old as it is to a four-year-old. We're here to help and break down the most pressing and complex issues of our day into easy-to-digest pieces of information paired with vivid illustrations even a child could understand. A good hangover is a complete mystery. How did this happen? Why do I feel so horrible? In this Fireside Grown-Up Guide to the Hangover, we'll investigate exactly how much debauchery you caused last night and what you can do for that pounding headache today. Filled with practical advice and fun facts--like how your consumption of bacon is totally justified for this morning--this guide might even persuade you to drink less next time, but we all know that's not going to happen.
