Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Pearson Education (US), United States, 2017. Hardback. Condition: New. Language: English. Brand new Book. Companion Guides are portable references designed to reinforce online course material, helping students enrolled in a Cisco Networking Academy course of the same name focus on important concepts and organize their study time for quizzes and exams. Pedagogy has been added to enhance comprehension and retention. A Companion Guide (CG) is the full-featured textbook that supports a Cisco Networking Academy course. The chapter content aligns 1:1 to the online course topics, but not necessarily word-for-word. The features of the textbook are designed to reinforce the course material and enhance student comprehension and retention of the course topics. As a portable learning tool, the CG is intended to help students focus on important concepts, organize their study time for quizzes and exams, and serve as a future reference resource. The CG serves as an additional instructional tool for the instructor to assign take-home reading or vocabulary homework to better prepare the students for in-class lab work and discussions.
