### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. If you've ever wondered what it's like to go on a date with a serial killer, move to a new city with only \$2000, overcome fear of public speaking, cash out a 401K, quit a day job without any backup plan, overcome multiple addictions, get out of poverty or live out creative fantasies then this book is for you. What started out as a rejection for a lucrative job became Stellabelle's life-changing moment to un-crap her life, one miserable craptrap at a time. Journey with her as she exposes the raw truth about her addictions, poverty, perfectionism, fears, bad jobs, scary relationships and uniquely horrible experiences. Find out how she overcomes her worst life situations and learn some interesting ways to un-crap your life. Each chapter ends with a list of exercises that can be easily implemented for the un-crapping of your own crappy life situations.
