A Thoroughly Christian Study of Homosexuality presents a 360-degree view of the subject. In addition to being a detailed Bible study, it provides a wealth of other relevant information. - The latest science of same-sex attraction. - The persecution faced by gays around the world. - The plight of gay young people in today s churches. - The central theological dilemma of homosexuality. The goal of A Thoroughly Christian Study of Homosexuality is to encourage Christians to make an informed, Spirit-led decision about homosexuality. With thoughtful questions at the end of each chapter, it can be used for both individual and group study.
